## Hot Lunch Program Volunteers

Our hot lunch program at St. Andrews Consolidated School is offered every Wednesday. Every second week, we serve pizza.

The weeks in between, we alternate with a hot lunch prepared by the Home & School.

Volunteers would need to be here from approximately 11:00 a.m. to 2:00 p.m. to cook the lunch and to prepare fresh vegetables on those days. On the days that pizza is served, we would need volunteers from approximately 12:00 to 1:15 p.m.

If you would like to be a volunteer for any of these days, please fill out the form below to state which days that you are available and if you are only available to cut up the veggies, that can be done at any time in the mornings on Wednesday.
